## Submission of the Bachelor´s/Master´s Thesis Study & Examination Administration Office

**Please submit (in hardcopy):**

- **3 printed and bound copies of the thesis**  
These are receipt stamped, and you should bring one copy to each of your supervisors. The third copy is for the library at Hochschule Geisenheim University.
- The following forms:
  - **Public Access Agreement: Library** (stating whether the thesis is to be made publically available in the library)
  - **Public Access Agreement: Magazine „Der Oenologe“**
  - **Graduate Questionnaire**
  - **Use of photographs**
  - **Registration for Colloquium** (Deadline registration colloquium and thesis submission on the same day)

**Please submit electronically (as pdf or jpeg):**

- Summary of the thesis (a form is on the website)
- Photograph (for the graduation ceremony)

The respective contact people in the Examinations Office:

- **Please note:** Upon approval, the abstract will be entered into a library database and published. This also applies to ‚blocked‘ theses. Please therefore formulate the abstract in such a way that it does not contain any data or trade secrets that should not be made public.

**Note for Degree Programs**

**Getränketechnologie; Internationale Weinwirtschaft; Weinbau und Oenologie:**

Publication of the abstract in "Der Oenologe":

Depending on the topic, the Bachelor/Master thesis abstract can be published in "Der Oenologe" ([www.oenologie.de](http://www.oenologie.de)). The decision as to which abstracts will be published is up to the editors and requires your permission.

Please fill in the form ‚Declaration of publication in "Der Oenologe"‘.
