

Senate and Student Parliament election from January 16 – 18, 2023

Online voting using Polyas

Dear electorate,

Your invitation to take part in the election was send to your HGU email account on January 16, 2023. The invitation contains information on the upcoming election as well as **your personal login data**.

The subject of the email is:

Ihre Wahleinladung: Senats- und StuPa-Wahl WS 2022/2023 von Hochschule Geisenheim University

The email is signed by: voting@polyas.com

From January 16, 2023, 0:00 to January 18, 2023 24:00 you may vote.

1. Login to the online voting system

You receive two login information. You may access the POLYAS online voting system with your **voter ID** and **your one-time password**.

Please pay attention to the upper and lower case of your access data when logging in.

2. Cast your vote online

The system checks if you are entitled to vote. If so, you will then see the ballots where you can click to cast your available votes.

3. Double check your vote

When you have finished voting, the system shows your filled out ballot slip again which allows you to double check and confirm it.

4. Complete the voting process

To complete the voting process, please click on "Verbindliche Stimmabgabe". Your vote has now been submitted to the online ballot box. You cannot re-use your login data.
