

Job Posting

May we introduce ourselves to you?

We, Geisenheim University, are a university of the state of Hesse with around 1,800 students and 550 employees. Our university offers a range of teaching and research in the fields of plants, landscape, food and beverages that is unique in Germany. We develop strategies for a sustainable and liveable future. In doing so, we make a meaningful contribution to social transformation that takes into account the future-oriented requirements of climate, landscape and food.

Are you looking for a new challenging and varied job? Then become part of the new LOEWE Start Professorship for Breeding of Special Crops and apply as a

Technical assistant (m/f/d) for Molecular Biology in the Institute for Breeding of Horticultural Crops.

Wher? Geisenheim in the Rheingau cultural region (50 km west of Frankfurt/Main)
When? From the next possible date
How? Full-time, fixed-term for six years (§ 14 Abs. 1 TzBfG)

Your creative freedom - our joint progress.

- Collaboration in the molecular biology experiments of the working group in the field of DNA/RNA sequencing
- Participate in the development and establishment of new laboratory protocols and workflows
- Handling and routine maintenance of laboratory equipment (e.g. sequencer, photometer, gel electrophoresis)
- Implement standard laboratory protocols in the field of DNA/RNA extraction and sequencing independently
- Support of the laboratory safety guidelines in the group
- Documentation of experiments and preparation of data analysis
- Training and instruction of students within the framework of the practical courses and internships

Your profile - our requirements.

- Training as a laboratory assistant or technical assistant with a focus on molecular biology or a related field
- Interest in molecular biology and working with plants in laboratory and greenhouse
- Ability to work independently and as part of a team
- Knowledge of written and spoken English is desirable
- Experience with Next Generation Sequencing techniques is a plus

Our offer - your opportunity.

- *Security* - employment in the public sector with remuneration (depending on professional experience and qualifications) up to pay group 9a TV-H and a company pension scheme
- *Meaningfulness* - responsible task as a contribution to shaping the future in a sustainable way
- *Prospects* - personal, needs-oriented promotion through extensive training and further education opportunities
- *Flexibility* - individual working time models (work-life balance) and 30 days vacation
- *Mobility* - LandesTicket Hessen 2023 and 2024 for free use of local and regional public transport within Hesse
- *Feel-good factor* - a sense of belonging as "Geisenheimer:innen" through a familiar environment on a green campus with listed parks and buildings, coupled with the warmth of the Rheingau.

Does this sound interesting to you? Then send your application (as a PDF file) to bewerbung@hs-gm.de by **October 09, 2023**, quoting the **reference number 69/2023**. We look forward to hearing from you!
