

Happy New Year!

ASTA NEWS

2020 is over - and what a year it's been! Let's see what 2021 will bring... At least we're taking an optimistic approach: we want you to get your university hoodies this month! We will set a date as soon as possible and keep you updated. Until then, please be patient a little while longer.

As every year, we will elect the new senate and student parliament in a few weeks (see further details below). Volunteers are still wanted for the vote count - just sign your name in the [schedule](#).

This month, there will also be a general meeting: StuPa & AStA will get together and tell YOU all about their current projects. The date will be set soon - everyone is welcome to attend.

By the way: Did you fill out in the [student survey](#) on key competences yet? Some gift cards will be allocated among the participants...

Think positive and stay negative!
