

Happy New Year

ASTA NEWS

Dear students,

We wish you a successful and happy new year. We hope that you all had a nice holiday, enjoyed the time off from lectures, and gained strength for the upcoming second half of the semester.

In January, there will be many events for you, below you can find more information. If you have any ideas, wishes or suggestions regarding events, please feel free to contact us.

Currently you will find five Corona test stations in Geisenheim. More information about these and other test stations can be found [here](#).

If you still need lab coats for your practical laboratory course, we have just the thing for you. We have different sizes. So feel free to stop by during our AStA shop/office hours. Please pay contactless only.

If you have any questions, we are always there for you. Just send us an e-mail or talk to us personally. Viel Spaß beim Lesen und bis zum nächsten Mal. Wir freuen uns auf das Jahr 2022!

Your AStA

The Alte Weinfass

++Due to current Corona regulations, the Alte Weinfass is currently closed. We will inform you via social media as soon as we are allowed to reopen ++

The AStA Office

You're in need of study materials for a low price? No problem!

Opening hours: Tuesdays 4.00 pm - 6.00 pm and Wednesdays 5.00 pm - 6.00 pm

For further dates just send an email to Buero@asta-geisenheim.de
Please pay by card!

Our Facebook Groups

Are you looking for a part-time job, a new (shared) flat, or would like to find out more about events in Geisenheim? Then you should absolutely visit our Facebook groups under the following links:

AStA Boxes of interest

Find like-minded people in a unique way!

In the month of January our international AStA department is offering the students from all courses a unique chance to purchase one of our **goodie boxes** ("boxes of interest").

You can choose from seven different theme boxes and you will have the chance to connect with other international and national students, who chose the same boxes and share your hobby.

More information will follow soon...

Student discounts

Whether for your wine shelf, equipment for your desk, or general student needs – we are constantly in contact with several suppliers to be able to offer you great and versatile discounts. On our [website](#), you will always find all current offers summarized... check it out!

AStA Events

11. & 12. January

Pub Quiz

Our popular pub quiz returns – this time live and in colour!

On January 11th and 12th we invite you to join us at the Hajos Irish Pub in Rüdesheim, admission will start at 6:00 pm. One quiz evening will be held in German and one in English, so we are looking forward to seeing many Internationals.

When: beginn around 6.00 pm

Where: Hajos Irish Pub in Rüdesheim

Around the Campus

Podcast

After 6 years of professional experience, Christine and Simona spent a lot of time during the lockdown thinking about their time at university and quickly realised that they had no idea what they could really expect from their jobs after graduating.

From their experience, they know that many students are still starting out in the professional world in an unrealistic way. They want to change that with their podcast (IN GERMAN)!

Christine and Simone have invested a lot of time and effort and are firmly convinced that they can help you to set the right priorities in your studies and be better prepared for the professional world.

Their topics include:

How many internships do you really need? // How important is networking during your studies? // Do you really need a 1 cut?

Would you like to listen in? The podcast “Reality Check Studium” is available at [Spotify](#) and [Apple Podcasts](#).

University sports call

Dear students,

We are looking for you! Do you have sporty ideas, a trainer license or just want to offer a sports course? Then get in touch with us and send an email to: buero@asta-geisenheim.de

We are currently looking for instructors for the following sports:

Thu 20:00 - 22:00 Basketball

Sports Club

Start your own sports club! Are you missing a sport or YOUR sport at Geisenheim University? Start a sports club together with 5 members and do sports together with other students.

You will need:

- Motivation!
- Experience in the sport
- An idea of how the sports club should run!

Feel free to contact Laura Nelles: Laura.Nelles@hs-gm.de

Discounted books (in German)

We offer you the following books at reduced costs:
New publication textbook for practice and teaching:

- **Betriebswirtschaft – Erfolgreiche Unternehmensführung im Weingut**
474 Seiten, 160 Abb.
ISBN 978-3-940456-98-4
- **ZEIT. - Zeitmanagement, Persönlichkeitsentwicklung & Teamführung**
254 Seiten
ISBN 978-3-96031-000-6

Order via the AStA: 15,00 Euro (LVP 29,50 euro)

Are you interested? Then write a mail to asta@hs-gm.de

Funding

This year, **BAföG celebrated its 50th anniversary** - unfortunately with a new minus record: Only 11% of all students still receive BAföG from the state - and not all of them the maximum rate. More and more students have to look for alternative sources of funding for their studies.

In order to simplify the research for you, there is now the "**Study Financing Check**" from Studis Online. With it, you can now quickly, easily and individually check whether, in addition to BAföG, other sources of money are possible. The "Student Financing Check" is free of charge and independent!

[Here](#) you can check your financing options.

Family Service

The Family Service was established at HGU in November 2015. The Family Service Office is the central contact and coordination point for family-friendly measures at the university. Its services are aimed at all (expectant) parents and those who care for relatives in need of care in addition to their studies or work. Here you can get information for finding individual solutions to questions about balancing family with work and studies, about childcare as well as care.

[Here](#) you will find information about current developments, offers, new measures and legal regulations, as well as tips and regional news about the family.

Online information event on the new MBA distance learning program „Management in der Weinwirtschaft“ (in German)

Geisenheim University invites all interested students to a virtual information event for the part-time academic master's program for wine industry specialists and managers in German.

Course director Prof. Dr. Jon Hanf and course coordinator Manuela Ortner, M.A., from the Institute of Wine and Beverage Management at Geisenheim University will explain the concept, course content, structure and procedure of the part-time MBA course.

Further information can be found [here](#).

When: 6:00-7:00 pm

Where: Online

20.01.

Awareness-raising workshop with ArbeiterKind.de: "What does it mean to be the first in the family to study?" (in German)

The reason why students from non-academic families are relatively underrepresented at German universities is not due to a lack of talent, but rather to a lack of role models in the family environment and at universities.

We want to discuss possible answers to the question: "What do first-generation students need to successfully complete their studies and how can educational advancement be promoted?"

Workshop Goals:

- Raising awareness of the unequal distribution of educational opportunities
- Raise awareness of student diversity and challenges for and strengths of first-generation students

Registration: until **17.01.2022**

You can register [here](#).

When: 4:30-6:00 pm

Where: Online

25.01. - 27.01.

HOBIT DIGITAL

hobit - the largest non-commercial trade fair for career guidance hobit takes place in the digital space this year - and Geisenheim University is there, as it is every year!

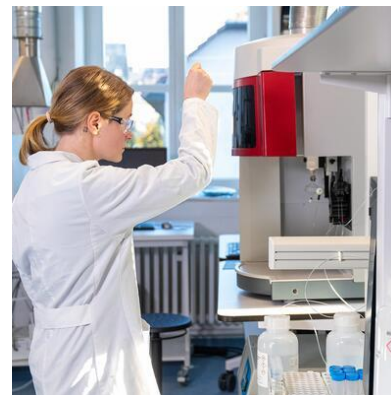

More information and the complete hobit program can be found [here](#).

27.01.

Info Event for Studiengang Lebensmittelsicherheit (in German)

Analytics, technology, quality, law: If you want to deal with these topics intensively and in an interdisciplinary way, **the bachelor's or master's degree program in food safety at Geisenheim University is the right choice for you.**

We offer the course in cooperation with the **private Fresenius University of Applied Sciences, Idstein; in Geisenheim**, students benefit from research-intensive and application-oriented teaching, while in Idstein they benefit from excellent facilities in the fields of chemistry and analytics. The courses at the Fresenius University of Applied Sciences are included in the regular semester fee for students of the Geisenheim University of Applied Sciences.

All information about the program and the access link can be found [here](#). (Note the two separate tabs for Idstein and Frankfurt)

When: 4:00-5:30 pm

Where: Online

BDO Web Seminar "Digitalisierung und Neue Medien"

The Corona pandemic has given digital formats - especially when combined with a digital and fast supply chain - an incredible boost. Businesses that had just a tired web presence a year ago are now cavorting on social media almost as a matter of course, producing Online wine and beverage sampling. Click rate, KPI and SEO are part of the basic vocabulary of an industry that for a long time was primarily at home in the analog world.

Geisenheim has always been a pioneer in the field of digitization and new media in the wine and beverage industry; a reason to take a look at **what Geisenheim first-semester students have once again developed in digital media projects during the winter semester 2021/22 as part of a BDO web seminar on January 28, 2022.**

More information and contact persons can be found [here](#).

When: 2:00-5:00 pm

Where: Online

31.01.

Inaugural Lecture (in German)

Our new professors Prof. Dr.-Ing. Damian Joachim Bargiel (Professorship for Applied Geoinformatics in Landscape Planning) and Prof. Dr. Kai Peter Voss-Fels (Professorship for Grapevine Breeding) introduce themselves!

After the lectures, there will be a small drink with snacks in the foyer of the campus building, where you will have the opportunity to exchange ideas with the professors.

Herr Prof. Dr.-Ing. Damian Joachim Bargiel: "Seeing the World with New Eyes. Current developments in geoinformatics".

Herr Prof. Dr. Kai Peter Voss-Fels: "With less water to wine? The role of grapevine breeding in climate change".

The live stream of the presentations can be followed here via Greenlight. If you are present, you can register for the event [here](https://vc-green.hs-gm.de/j/raum-ohl-01-4ug).

When: 2:00- 4:00 pm

Where: present and online
